AT THE UNIVERSITY OF KANSAS MEDICAL CENTER

Program Abstract

Effective October 1, 2015, ICD-10 will be the new mandatory coding system for everyone covered by the Health Insurance Portability Accountability Act (HIPAA). The purpose of this two-day program is to introduce home health clinicians to the use of ICD-10 codes. This course will discuss and review the structure of ICD-10, investigate how the guidelines are different than ICD-9 guidelines, how to choose the correct coding category for the clinician and finally, help agencies apply learned objectives to different scenarios.

Program Objectives

At the completion of this two-day program, the participant will be able to:

⇒ Outline modifications in coding conventions.

⇒ Discuss changes in general coding guidelines.

⇒ Recognize changes in specific coding guidelines for Chapters 1—21.

⇒ Identify and discuss criteria used in selecting and sequencing diagnoses on OASIS.

⇒ Demonstrate steps to use the ICD-10 manual correctly.

⇒ Apply learned objectives to code chapter specific scenarios including:

- Chapters 1 & 2 (Infectious Diseases & Neoplasms)
- Chapters 3 & 4 (Diseases of the Blood & Diabetes)
- Chapters 5 & 6 (Mental Disorders & Diseases of the Nervous System & Sense Organs)
- Chapters 7 & 8 (Diseases of the Eyes and Ears)
- Chapter 9 (Diseases of the Circulatory System)
- Chapter 10 (Diseases of the Respiratory System)
- Chapter 11 (Diseases of the Digestive System)
- Chapter 12 (Diseases of the Skin & Subcutaneous Tissue)
- Chapter 13 (Diseases of the MS System)
- Chapter 14 (Diseases of the GI System)
- Chapter 18 (Signs, Symptoms and Ill-Defined Conditions)
- Chapter 19 (Injuries and Poisonings)
- Chapters 20 and 21 (Causes of Morbidity and Factures influencing Health Status)

Target Audience

All clinicians, coders and QA/PI staff

Materials

Handouts will be made available online prior to the conference. **Each attendee will be responsible for printing and bringing handouts and an ICD-10 Coding Manual to this program.**

More About ITV

This program will originate at the BEST Conference Center at the University of Kansas Edwards Campus in Overland Park. Additionally, the program will be broadcast by Interactive Televideo (ITV) to other sites across the state. If you live or work too far from Overland Park, you may find that attending at one of our ITV sites is a good option for you. ITV lets you to do more than merely listen to a lecture. Two-way video and audio allows full interaction between participants at all locations and the speaker. Ask a question from Pratt or Sabetha, and the speaker in Overland Park can see, hear and respond back to you. ITV is an easy, convenient way to participate in this program. Please keep in mind that participants at ITV sites are likely to be viewing the program on a TV monitor, not a large screen, in a smaller meeting room.

NOTE: Seating is very limited at ITV sites—don't delay in reserving your seat.

About Your Presenter

Jennifer Warfield, BSN, HCS-D, COS-C, ICD-10 Trainer
Director of Education Services, PPS Plus Software

As a homecare coding specialist, OASIS specialist and registered nurse with 30 years of clinical and management experience, Jennifer is an informational ally for hundreds of home health agencies across the country. Well known as a coding and OASIS expert, she frequently conducts online and on-site educational workshops and is a regular guest speaker at numerous home care conferences throughout the country. Her expert knowledge plays an integral role in the analysis development of PPS Plus Software's OASIS analysis software, Home Health Edition.

Jennifer has presented for KHCA on numerous occasions with outstanding reviews: "Enjoyed Jennifer's enthusiasm on the topic"… "Awesome! Wow!"… "Very knowledgeable and interesting. Great speaker!"

CNE Credit

Kansas Home Care Association is approved as a provider of CNE by the Kansas State Board of Nursing. This course offering is approved for 15.6 contact hours applicable for APRN, RN, or LPN relicensure. Kansas State Board of Nursing provider number: LT0287-314.

KHCA is also seeking approval by the Board of Medical Specialty Coding & Compliance for 13 CEUs towards the maintenance of the HCS-D credential offered by the BMSC.

Questions?

Contact Kristen Ada, KHCA Program Manager, at (913) 669-0460 or kada@kshomecare.org

KHCA greatly appreciates the time and effort on the part of our speakers/vendors in providing information for our attendees. The Kansas Home Care Association feels an obligation to present the widest possible viewpoints represented in the home care and hospice arena. However, the participation of any speaker/vendor/product in our presentations does not constitute an endorsement by this association. As always, you are strongly advised to seek further counsel and exercise diligence in making any decisions that affect your business or the quality of services you provide.

Registration Information

Pre-registration is required and should be made online...
<u>CLICK HERE</u> to register.

Fees:　KHCA Members – $195/person
　　　　Non-Members – $390/person

The registration fee includes two full days of training. Attendees are responsible for bringing their own handouts. Breaks and lunch will NOT be provided due to the multiple ITV site format. Participants are encouraged to bring their own refreshments.

Registration Deadline: Friday, March 27, 2015.
A confirmation email will be sent upon receipt of registration.

Cancellations: Refunds, less a $25 processing fee, are available for cancellations received by March 31. No refunds will be given for cancellations received after March 31. No-shows will be held responsible for payment.
